Special Land Grants

Note: The following individuals were awarded lands through service either to the Barony of Ferryport or by decree of the King himself, above and beyond the ten acres tracts of land established for immigrants and settlers to the Barony. -Strebhin, Seneschal of Atlosh K'harro

Queh Cairn Fehatea	50 acres	Caravan Road (Throalic Road)
Radlinn	50 acres	Caravan Road (Throalic Road)
Garrick	50 acres	Winding Way
Maliata	50 acres	Freedom Road
Konoru	50 acres	Caravan Road (Throalic Road)

Map of Ferryport

Note: The most recent map of the town of Ferryport was commissioned by the Town council of a Dwarven scribe whose methods of cataloguing left much to be desired. His final product color coded town buildings as to racial occupancies and numerically listed each within these separate categories. In order to solve the quandary of multiple numerical and alphabetical assignments, I have abandoned his scheme and gone with a straight numerical reference, although I have maintained the original racial subdivision categorizations. In deference to the numerous copies of the original manuscript, however, I have also included the original numbering system as well. -Strebhin, Seneschal of Atlosh K'harro
