Mirror Universe Timeline

(A timeline on the history of the Mirror Universe)

2160s

The Mirror Universe history coincides with our own until First Contact between Humans and Vulcans. In the Mirror Universe, Zefram Cochrane informs the Vulcans as to the existence of the Borg and future events, whereas in our universe he chooses not to divulge these events (ST: P, 215, 364).

2260s

Klingon operative begin to take over Organia. The Enterprise leads a task force to the Organian system and cause the star to violently flare. The solar megastorm kills the Klingons and destroys the Organians (ST: P, 199).

2375

Project Sign gives the replicated Sovereign-Class Enterprise to Intendant Spock to lead the Resistance in the Mirror Universe (ST: P, 351).
